

Who We Are

- Parent volunteers, teachers and school administrators in Frankfort 157-C schools who work to enrich the education of our children by supplementing resources currently available to the District.

What We Do

- Raise funds throughout the school year (which include hot lunches and our annual Casino Night Fundraising Event) to fulfill teacher-written grants for equipment and materials that directly benefit all our children in the areas of art, literacy, technology, math, physical education, science, social studies, and character-building programs.
- Approximately \$120,000 was granted during the 2017-18 school year benefiting Grand Prairie Elementary School, Chelsea Intermediate School and Hickory Creek Middle School.

What We've Granted

- Reimagined Library Space at Grand Prairie
- Musical Instruments for music classes.
- Award winning Monarch, Bluestem and Rebecca Caudill books for our libraries.
- Learning with LEGO WE GO and Laptops.
- Sensory Support items for the classrooms and Stand Up Desks and Stability Balls.
- Animals in the GP Library.
- STEM materials for classes during and after school.
