

Incoming Kindergarten Parent Survey

Grand Prairie Elementary

What a thrill! Your incoming Kindergartener is about to embark on the next step of their educational journey! And we here at Grand Prairie are preparing to get that start off on the best possible foot! At this time, we are looking for your perspective on your child's ultimate learning environment! We believe a parent's insight is essential in planning to meet the needs of a child. As your child's primary teacher, you are able to give our staff valuable information about your child. We invite you to share your thoughts and impressions about your child. This process allows us to ensure we provide an optimal learning environment for your child. Keep in mind that due to unexpected circumstances, a specific teacher may not return to Grand Prairie in the fall or be placed in a different grade level or community; therefore it is **essential that your comments be limited to the type of classroom environment** you see for your child. Please return your questionnaire with your registration or as soon as possible.

Please Choose: Full Day – 8:25AM – 2:50PM Early Release – 8:25AM – 1:30PM
(No return transportation provided)

Child's Name: _____ Birthdate: _____

Current Preschool if applicable: _____ Siblings community?
Gold Green Purple

Please think carefully about your child's personality and learning style needs and share as much as you feel necessary to ensure a placement that fits their needs.

Thank you! We look forward to welcoming your child and creating a home school partnership!
