2018 WINTER CLINIC
AND SPRING SEASON!**

The Lincoln-Way Lacrosse Club was formed in the spring of 2007 and currently provides lacrosse opportunities for girls and boys. The goal of our program is to provide a safe and productive environment that enables young athletes to learn and apply the principles of teamwork, discipline, dedication, and sportsmanship. We facilitate the development of strength and character in every player. The program emphasizes the fundamentals of lacrosse, which include catching, passing, scooping, dodging, and defense. Participants in the spring season will participate in IBLA games and tournaments. The amount of games and tournaments will vary with the age group. For more detailed information about the winter clinic and spring season, visit our website below.
