FSD 157-C requires that the school health exam must be turned in to the School Nurse ***no later than October 15 for preschool, Kindergarten and 6th graders***. Any students ***new to our district*** must provide this information ***within 30 days of entering our district***. Any transfer student may attend classes if they submit written proof that an appointment for the required examination and/or immunizations has been made. Failure to provide the required information, by the deadline, will result in exclusion from school until the necessary Health Requirements are met.

New Students to an Illinois School:

- Physical Exam with immunizations on an **Illinois** school form.
- Vision Exam

Parents/Guardians

YOU MUST COMPLETE AND SIGN THE HEALTH HISTORY SECTION ON THE BACK OF YOUR CHILD'S PHYSICAL FORM BEFORE HANDING IT IN TO THE SCHOOL. As your Health Care Providers complete the forms, please make a copy for your records, and then send the original to your child's school health office. It is not necessary to wait until all the forms are complete to start to turn them in.
