The objective of this class is to help the students become more proficient in their use of Spanish and to enhance their knowledge of the Spanish and Latin American cultures.

Topics covered in this course include vocabulary related to school, clothing, food, and family. Regular *-ar*, *-er*, and *-ir* verbs are introduced, as well as the irregular verbs *ir* and *dar*.

Class activities are based on the four essential skills of learning a language – listening, speaking, reading, and writing.
