

## HCMS Homework Hotline

Dial 469-4474 after 2:45 p.m.  
and follow the prompts

In an effort to be proactive and assist parents, HCMS has implemented a Homework Hotline. This hotline is not in lieu of students writing their assignments in their notebook, but rather as a tool to help parents support their child. We highly encourage parents to continue to contact teachers regarding specific homework questions.

- √ Teachers will list daily homework assignments for the current day.
- √ Check your child's homework.
- √ Help them get organized.
- √ Check for homework for an absent student (Please note all students are given a day for a day to make up assignments when they are absent.)
